Description

Webster's Crossword Puzzles are edited for three audiences. The first audience consists of students who are actively building their vocabularies in either French or English in order to take foreign service, translation certification, Advanced Placement® (AP®) or similar examinations. By enjoying crossword puzzles, the reader can enrich their vocabulary in anticipation of an examination in either French or English. The second includes French-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL® or TOEIC® preparation program. The third audience includes English-speaking students enrolled in bilingual education programs or French speakers enrolled in English speaking schools. TOEFL®, TOEIC®, AP® and Advanced Placement® are trademarks of the Educational Testing Service which has neither reviewed nor endorsed this book.
